Key Highlights

- ✓ **Adds 20+ new presumptive conditions for burn pits and other toxic exposures**
- ✓ **Expands and extends eligibility for Veterans with toxic exposures and Veterans who served in the Vietnam era, Gulf War era and Post 9/11 era**
- ✓ **Allows for toxic exposure screenings for all enrolled Veterans**

How do I get a screening?

Ask about the screening at your next VA health care appointment. If you don't have an upcoming appointment, or if you want to get the screening sooner, contact your local VA health facility. Ask to get screened by the Environmental Health Coordinator.
